Announcing Two New Additions To The High Art Family of Good Clothes

For months our tailor-shops have been working on these special models and special values. We sought a suit, worthy in every way of the High Art label, to sell at a low price. It must be better than any suit on the market at its price—it must have extra style, workmanship and value.

With this announcement of "The Director," for Men, and "The Jr. Member," for Young Men, we believe we have achieved the ideal. The patterns are very new, the styles correct, and the values exceptional at \$18.00—that's the price.

See these two new suits.

We refund fares to Out-of-town Customers. Mail orders promptly shipped—Parcel post paid.
